

# Father's Day Bookmark

## CROCHET PATTERN

Let's make a lovely Father's Day gift for the important man in your life! This bookmark is a simple tapestry design! Working with only two colors throughout leaves you with minimal ends to weave in while still having a stunning result!

### SUPPLIES:

- Size 10 crochet thread, any 2 colors, approx 70 yards of each.
- Size 1.65 mm crochet hook
- Tapestry needle and scissors
- Fabric stiffener, like Aleene's Fabric Stiffening Spray, t-pins, and a blocking mat

## ABBREVIATIONS (US TERMS):

ch = chain

dc = double crochet

sl st = slip stitch

st/sts = stitch/stitches

sp = space

sc = single crochet

() = complete these instructions in one stitch

\* = indicates where to begin repeat from

## NOTES:

- For the best look to achieve a flat bookmark, you'll need to stiffen it. I use Aleene's Fabric Stiffening Spray and t-pins on a blocking mat.
- Stitch counts are marked at the end of each row with [ ] except for tapestry section where each row is 63 stitches
- Finished dimensions: 2 in by 6.5 in
- Beginning chains count as stitches for the stitch counts.
- You may carry the thread behind the stitches in order to minimize end weaving. When you reach the last st of each row using color B, tuck color B onto the other side so that you may pick it back up when you reach the first st using color B on the next row.

## GAUGE:

Gauge is not really necessary for this pattern. Personally, I find the smallest hook I can handle for the thread size produces the best, tightly stitched look. If you desire to gauge swatch: 12 sts in 13 rows of single crochet = 1 inch
